BEATING THE PARISH BOUNDS SUNDAY 20th MAY 2018

May is the traditional Rogation month when parishes Beat the Bounds, a way of passing on the knowledge of where the parish boundaries are to the next generation. Since 30% of Hedsor's boundary runs through the private estates of Hedsor Park, Cliveden and Hedsor Wharf, including a stretch of the Thames at Cliveden Reach, opportunities to Beat the Bounds don't come around that often. This year, on 20th May, we have been invited to beat the bounds as a fund raiser for the church, so it is an event not to be missed.

A full Beat the Bounds walk of 4.4 miles and a shorter 2.0 mile option are being offered. Both walks use paths not normally open to the public and include a short ferry trip along the Thames below Cliveden, described by Jerome K. Jerome as probably the most beautiful reach on the river. Walkers will also be able to enjoy a rest and refuel with a barbecued burger in Hedsor Park during the walk. Since so much of the access for both routes is on private property the number of tickets available for the event is strictly limited and can only be purchased before the day. Parish members and friends are being given priority, so it is recommended that you order your tickets early before the strict ticket limit is reached.

Tickets
£15
£5 for 12yrs
and under

Tickets (which include parking, river ferry transport, a barbecued burger and walk notes) are available from Stuart Fletcher or by emailing hedsor.church@littlehill.net.

WE URGENTLY NEED marshals for this event please contact Stuart on 01628 529296
